

# 14<sup>th</sup> Symposium on Precision Agriculture in Australasia

Commercial Club, Albury, NSW

11.00 am – 5.00pm Thursday 2<sup>nd</sup> September 2010

9.00 am – 12.00pm Friday 3<sup>rd</sup> September 2010

## Symposium

- New precision agriculture techniques and technologies
- Precision agriculture applied in a range of industries
  - Nutrient and ameliorant management

The Symposium is always a relaxed and enjoyable means of discussing the progress and direction of Precision Agriculture in Australasia. It is aimed at providing an insight into, and inspiration from, the work being undertaken to develop and apply PA in a wide range of agricultural industries. Research and government institutions along with farmers, commercial suppliers, advisors and anyone with an interest in the future of agriculture are welcome to participate. This makes it a truly industry-wide Australian forum for PA.

## Dinner

A dinner on Thursday 2<sup>nd</sup> September is being held at the New Albury Hotel, 618 Dean St, Albury. This will be a pleasant opportunity to continue, or build new, industry links and discussions.

## SPAA Annual General Meeting

SPAA Precision Agriculture Association will hold its AGM on Thursday 2<sup>nd</sup> September at the Commercial Club, Albury. The meeting commences at 5.00pm.
