## 2016 Advertising Rate Card

Published by the Society of Precision Agriculture Australia Inc (SPAA), Precision Ag News is a national magazine mailed directly to more than 2,000 farmers, researchers & advisors across Australia involved in all sectors of agriculture. We promote the latest developments & innovations in grains, sugar, horticulture, agriculture and viticulture.

**Precision Ag News** is the only magazine of its kind published in Australia and provides the most effective national medium for advertisers seeking to reach this important audience.

SPAA is the largest a non-profit and independent group solely dedicated to PA adoption. Our mission is to facilitate research, extension and the adoption of precision agriculture (PA) in Australia.

The association aims to be the leading advocate for PA in Australia and through the adoption of PA improve the profitability and sustainability of Australian agriculture.

PA management offers many Australian farmers the potential for a quantum increase in their production efficiency, along with many NRM and social benefits.

Precision Ag News aims to inform farmers and industry stakeholders across Australia involved in all agricultural industries about Precision Ag products and practices, research results, new initiatives and events.

The magazine also becomes available online.
