Abstract

The abstract should be a concise summary of your proposed presentation.

- Please minimize the use of scientific or engineering symbols, acronyms and bullets.
- It should be typed single-spaced in **12 point type Arial**.
- Abstracts should be original work
- Do not include tables, pictures or diagrams in the abstract
- All abbreviations must be spelled out on first use
- Be sure to adhere to the word limitation (**300 words**).

Abstracts should be submitted as an email attachment to nicole@spaa.com.au and/ or brett.whelan@sydney.edu.au Only .doc(x) and .pdf are the acceptable file formats.

Please indicate your preference for a presentation of 15 or 30 minutes and advise us the sector the

PA innovations are used in to ensure for a cross-industry representation during our event.

SUMMARY (Please mark)

Farmer case study

Latest research and development

Presentation 15 minutes

Presentation 30 minutes

Industry sector the PA application used (too ensure we have cross industry representation on the program) [Click here to enter text.](#)
